Experience:

09/18—Current Experian Information Services - Costa Mesa, CA

Title—UX Designer

Industry—Credit

Was let go from West, and decided I wanted to work in the credit space and move to Orange County. I work as both a UX Designer & Engineer, developing ideas into rapid prototypes & conducting usability sessions for Experian's users.

04/18—09/18 West Corp - Omaha, NE

Title—Senior Product Designer

Industry—Telecommunications

As a part of an acquisition, my position at Nasdaq moved over under West Corporation to further their PR initiatives in the press release and earnings release space. Providing designs as React JS prototypes as their Senior Product Designer

07/13—04/18 Nasdaq - New York, NY

Title—Product Designer/Senior Product Designer

Industry—Finance

As a Product Designer at Nasdaq, I was responsible for user experience, user interviews, front-end development of functional prototypes, and development assistance.
